## VP Exploration P.Geol/QP Geologist - Canada

Our client, a Vancouver based company with a dedicated technical team has a growth opportunity for a VP Exploration. The company is poised to launch an aggressive drill program with the goal to be in production by 2015. Preferably based in Vancouver or eastern Canada the successful candidate will have the following skills and experience:

- BSc Geology
- Professional Geo with QP status for VMS deposits
- 15+ years progressive experience with an excellent track record.
- Exceptional management skills with proven ability to make sound decisions.
- Highly skilled technically.
- Proven self motivated, results oriented team player.
- Excellent command of English both oral and written.

If you are qualified and this opportunity is what you've been waiting for, please submit your resume in MSWord format to Elizabeth via the [www.suttiegroup.com](http://www.suttiegroup.com) website.

Your confidentiality is assured and we look forward to representing you.
